Job Responsibilities:
The Department of Biological Sciences at Edgewood College invites application for an instructor to teach Microbiology for the 2016-2017 academic year.

Microbiology is a laboratory class that includes three sections. Students in each section attend three lectures per week and two laboratory sessions per week. Lectures are Monday-Wednesday-Friday; laboratory sessions are held on Tuesday and Thursday.

Qualifications, Required Knowledge and Skills:
Candidates should have a Ph.D. in Microbiology or a related discipline and have undergraduate teaching experience.

Successful candidates will have a demonstrated commitment to promoting diversity, inclusion, and multicultural competence in an educational and work environment, and must be willing to contribute to the College’s strategic plan of inclusion.

The candidate must demonstrate multicultural competence – the awareness, knowledge, and skills needed to work with others who are culturally different from self in meaningful, relevant, and productive ways. Applicants from traditionally underrepresented populations including women and racial and ethnic minorities are especially encouraged to apply. The candidate must actively support the mission of the College by working with faculty, staff and students to share in our core values - truth, compassion, justice, partnership, and community.
